

Dear ELLA-Partners,

We herewith announce the **ELLA Turkey Event International Social Inclusion Music and Art Festival** to take place between **26 – 30 of October 2014** in **Kas/Antalya - Turkey**.

All members of Caravan 2000 and our ELLA-Grundtvig Project, as well as other foreign partner organisations are sincerely invited to send groups of maximal 10 participants to take part in the festival's activities (trainings and workshops, roundtables, side line events and activities) **and** to stage a final performance (show or concert) at the final festival evening. We will try to cover board and lodging costs for everybody. However, to allow for participation of a most possible broad range of organizations, please indicate in the registration form attached whether your organization would be able to contribute also from own budgets. Travel costs have to be covered by participants/their organizations themselves.

We are further welcoming everybody who wants to attend the festival on own costs as a visitor, i.e. to take part in the side line events and activities and as spectator at the Final Festival Evening.

Last, we are also inviting all partners who cannot attend the festival in person to send presentations (Film, Photos, Paintings, etc.) or other informative materials (flyers, posters, etc.) about their organization and its work to be exhibited or disseminated under the frame of the festival.

Please see the **Invitation attached** for more detailed information about our **International Social Inclusion Music and Art Festival**. Participants please fill in the **Registration Form** attached and submit it to us **by 30th of June, 2014** at the latest. In case of any further questions you may refer to Kristina Kamp via Email at Svenja-Kristina.Kamp@internationaler-bund.de or phone at 0090-530-228-8940 (Monday – Wednesday).
