

WHAT ARE THE WORK PACKAGES?

The Work Packages are elements of the ELLA project. They are projects in which members of different organisations work together to perform a certain task.

The management work package organise things like meetings, the evaluation work package looks at the results of the educational projects.

The implementation work packages are projects in which participants are directly involved. These are listed below.

Social Inclusion ELLA
Families, Transitions and Cultural Pluralism
Private Life Concepts
RE-CREATION
The Art of Recycling
Trainee
ELLA New Leaders
